## ADDITIONAL INFORMATION

**Brand:** GIBBON

### Details

Get your work done comfortably with GIBBON standing desk desktop and keyboard tray! This sit stand desk tray is height adjustable, from 4.7" to 18.1", which is electric driven and can be operated automatically by pushing a button. Electric motor powered lift allows smooth and straight up and down movements, rises and folds vertically within its own footprint; The lift withstands 50,000 times fatigue testing, which is safe and durable for long-lasting use. A standing desk helps you create a healthier working environment by allowing you to keep moving throughout the day. Start using this tray and prepare to say goodbye to neck or shoulder pain for good!

### **About Gibbon Mounts**

Gibbon Mounts is one of main manufacturers in China mainland, who specializes in professional A/V installation solutions. Their products range from LED/LCD/Plasma TV mounts to projector mounts, LCD monitor mounts and TV stands. They have more than 15-year experiences in product manufacturing.
