Details

Do you usually feel tired after a full day's work or playing computer games for long hours? XISHE Racing Style Gaming Chair is designed for you to work, relax and sit comfortably for long sessions of gaming or working. Our ergonomic chair has a larger seat version than average chairs, it can perfectly fit your body shape and give you the most comfortable support. Inspired by luxury racing car interiors, we use premium PU leather and high density shaping sponge with adjustable headrest and lumbar support. This makes the chair more comfortable, durable, flexible and aesthetic.
