Focus primarily on quality and value

The bridge is skillfully carved from expertly selected tone woods and quality workmanship to produce the finest possible tone. Each violin is finished in a beautiful translucent brown that lets the wood grain show through and is skillfully crafted to be just as pleasing to the eye as it is to the ear.

The pegs turn smoothly and the hand feel is very smooth, and the sound is enhanced by D'Addario Prelude strings, and without tailpiece fine tuners that alter the sound quality of the strings.

Lightweight hard-bodied protective case: Luxury combined with practicality

- Full length music pocket.
- Water-resistant black exterior.
- **Includes:** Shoulder, back-pack, and subway straps.
